

Multipurpose repositionable glue (I257)

Spray can or magic spray? This doubt is licit, considering its powers: you can glue, unplug and reattach products, without alter them, dirty them or bend them. This transparent adhesive is ideal for a lot of surfaces.

Quantity	400 ml
Barcode	EAN 13: 8034108892368
Confection:	12 pz

MULTIPURPOSE REPOSITIONABLE GLUE – Transparent adhesive that enables immediate and safe assembly of many materials on a variety of surfaces. The application, if treated with a slight pressure, allows the possible detachment and repositioning. The product remains permanently elastic and not embark metals, remains unchanged over time, and does not stain penetrates porous surfaces. It is ideal for every type of installation and is suitable for acetate substrates, fabrics, printing paper, etc.

Technical Specifications:

Aspect	Cylinder containing under pressure fluid
Color	Colourless
Odour	Characteristic of solvent
Relative density	a 20°C 0,63 ÷ 0,67 g/ml
Flash point	Low.0° C
Pressure at 20°C	4/6 bar
Dry Residue	9% ± 0,50%
Stringiness 25°C (active)	Brookfield - mPa.s 100 – 500'
Solubilities	water insoluble, soluble in esano/acetone
Thickness	> 30 micron

HOW TO USE: Shake well before the use. Clean the part to glue. Sprinkle the product on one of the surfaces to glue. Overlap the other one sticking on the glued part practicing pressure. The initial taking is rapid but the repositionable adhesion happens in 24 hours.

MODALITY OF STORAGE

Before using: stock the product in a dry location and don't stock it with a temperature under zero degrees, after the use, keep containers closed. In the original package, the product can be conserved for 24 months.

After the first usage: conserve in a fresh and dry location, away from hot spring. Keep out of reach of children.

Hazards identification:

H222	Extremely flammable aerosol.
H229	Pressurized container: may burst if heated
H319	Causes serious eye irritation.
H315	Causes skin irritation.
H336	May cause drowsiness or dizziness.
H412	Harmful to aquatic life with long lasting effects.

This information, even if reliable, must be considered only approximate. The usage don't imply our responsibility, included the violation of many license. Before using, the users have to verify the suitability of the product for the specific use.
