

## Pen A10

This is another amazing product, realised in collaboration with Greenlabel®. It's permanent on all materials, included difficult materials, such as glass, plastic, metal. It has the replaceable tip, and it is ideal for industrial uses.

**A10** – Quick drying of the Greenlabel paint formulated to work in an industrial environment. Permanent on all surfaces, including metal, plastic, glass, rubber, ceramics and much more. The colors stand out very opaque even when writing on dark surfaces. Marker pen with non-toxic paint containing alcohol that dries quickly without xylene (30"). It is suitable for industrial use, provided with double tip.
